Man Is Arrested For Assaulting Boy

A 29-year-old Boulder man was arrested Tuesday for sexual assault on a child after a 14-year-old boy complained that the man had forced him into sexual relations.

Ray Lewis Bieber, 7779 Devonshire Way, was arrested at the Boulder County Sheriff's Department, and released on a \$10,000 personal recognition bond.

Bieber's arrest followed a two-month investigation into the claims of a 14-year-old Boulder youth who met Bieber through a Boy Scout Troop where Bieber was assistant leader.

The boy told detectives that a friendship with Bieber evolved into a sexual relationship last April which continued until Sept. 23, 1977.

DATE OF REPORT (mo. day year)	TIME	COMPLAINANT—VICTIM
10/10/77		[REDACTED]

NARRATIVE (Nature of Report, Interviews, Investigation at Scene, Evidence, Footnotes, Status)

NATURE OF REPORT: P/O received a phone call from the complainant requesting a conference regarding a possible sexual assault on a child.

INTERVIEW: P/O met with the complainant and victim who identified himself as Scout Master of Troop 377, sponsored by the Boy Scouts of America. The complainant stated that he had been in contact with Mrs. [REDACTED] who expressed her concern that her 14 year old son may have experienced some sexual activity with an assistant scout master of troop 377, identified as Ray Bieber. The complainant stated that he had spoken with Mrs. [REDACTED] and the victim on 10/3/77 which resulted in a meeting with the suspect on the evening of 10/4/77. During the conference with [REDACTED] it was learned that the victim had been experiencing sexual problems since the death of an older brother when the victim was 5 years old. Since that time the victim has had difficulty in sleeping resulting in Mrs. [REDACTED] sleeping with [REDACTED] until he turned 13 years of age. During this time [REDACTED] began to experience hyperactivity resulting in medication and special education. The suspect began to sleep with the victim at the [REDACTED] residence due to the rewarding relationship being developed between the victim and the suspect.

The suspect had developed a relationship with the boy over the past year which included special scouting activities (a trip to the Bahamas) tutoring in schoolwork and the purchasing of expensive items for the boy. On the evening of 10/23/77 the suspect was at the [REDACTED] residence sleeping with the victim in the victim's bed. It was related that [REDACTED] was finding the suspect attractive to his boy. It was also related to the complainant that the suspect had performed anal intercourse on the boy.

10/6/77 - P/O held conference with Mr. and Mrs. [REDACTED] with the assistance of Mr. Jacobs, Dean of the Department of Social Services. A conference was held at the Elks Lodge, Boulder, Colorado at the request of Mrs. [REDACTED]. Mrs. [REDACTED] stated that she was awakened by her son at approx. 2030 hours on 10/3/77. The victim appeared to be upset resulting in her asking what the problem was. The victim stated that the suspect was a "fag" and that he couldn't sleep with the suspect any longer. A few minutes later the suspect appeared observing that the victim was troubled. The suspect got dressed and returned to his own residence. The victim was not willing to elaborate specifics to his parents as to what actually occurred.

P/O held conference with the victim at the Department of Social Services with the assistance of John Dean of that agency. The victim stated that the molestations began to occur in April of 1977 continuing through the summer until the most recent occurrence on 10/23/77. The victim stated that on 10/23/77 the suspect was at the victim's residence assisting in school work when at approx. 2200 hours both subjects went to bed. The victim and the suspect would share the same bed and both were wearing underwear only. At approx. 2230 hours the suspect placed his hand underneath the victim's pants抓着 the victim's penis. The suspect began to stimulate the victim for about 20 to 30 minutes according to the victim. The victim rolled over onto his stomach to cease the molestation, however, the suspect then laid on top of the victim, placing his penis into the anal cavity of the victim performing anal intercourse. The victim stated that the suspect performed this activity for several minutes after which the victim got out of bed and informed his mother that the suspect was a "fag" and that he did not desire to sleep with the suspect.

DATE OF REPORT (mo. day year)	TIME	COMPLAINANT—VICTIM
12/11/77		[REDACTED]

NARRATIVE (Nature of Report, Interviews, Investigation at Scene, Evidence, Footnotes, Status)

Victim's mother stated that her son had been a Scout Troop member since April of 1977. She stated that the victim was very talkative about the victim's sleepability. The victim related to his mother that he would be sexually abused by physical contact and not necessarily touching. The victim's mother stated that "I'm stating you wouldn't believe the things I do to you when you are asleep".

The victim further stated that after his second troop out presented a crime prevention program on child molestation in April of 1977 the suspect stated to the victim that "Most people experience sex with both male and female". Further, during the same month, while at the suspect's residence, he saw some magazines on pornography in the suspect's R/O noted that the victim was not very explicit with details of the molestation prior to 4/23/77, perhaps due to his reluctance in relating the incidents. The victim further stated that prior to this date, the victim stated that the suspect was a Scout master that he was being tortured by the suspect in school classes. The victim was being kept out of school situation classes only because he was being tortured by the suspect. The victim stated that on 4/23/77 he could no longer handle the problem when he told him informing his mother.

It was thought by the victim that the suspect has been living in the Boulder area for approx. 15 years after transferring with P/T from "Poughkeepsie, New York". It was thought by the victim that the suspect had been a Scout Master in Poughkeepsie.

R/O made telephone and CCIC criminal history checks on the suspect with negative results. R/O contacted the Boulder County Sheriff's Office, the "P" Office Department, 214-425-4743, or 435-5701. R/O inquired information as to any contacts with that agency. R/O would be contacted at a later date with that information.

12/11/77 - P/O D. J. M. spoke with the victim at the Boulder County Sheriff's Department. The suspect advised of his rights for Miranda which he waived those rights as indicated by the signed waiver form.

The suspect stated that he became acquainted with the victim during September of 1977 during Boy Scout activity. The suspect became an assistant Scout Master for the victim's Scout Troop during that year. The suspect stated that he became aware of the victim's scholastic problems through [REDACTED] [REDACTED]. The suspect volunteered to assist David scholastically. The suspect began to meet with the victim at the [REDACTED] [REDACTED] on a regular basis. It was at the request of [REDACTED] [REDACTED] the suspect began to sleep with the victim with the knowledge and support of the parents. The suspect stated that on at least three occasions during the past year, [REDACTED] [REDACTED] held conversations about sexual matters. The suspect stated that he viewed himself as a primary educator in sexual matters with [REDACTED] pointing out that the parents have not educated their son concerning those matters. [REDACTED] related some sexual experiences that he had had over the year which included oral intercourse with [REDACTED] his own age. The suspect stated that [REDACTED] asked him about what type of sexual activity occurs between homosexuals resulting in the suspect going into detail explaining mutual masturbation and anal intercourse. The suspect related that he was unaware of any strained relationship between he and the victim up to and including the date of 6/23/77. The suspect related that during the times that he was sleeping with the victim that he most probably became in sexual contact with the victim; however, he states that if he did, it was unintentional. The suspect relates that he and the victim would jump in the hot water tank which would cause the sleeping bodies to roll together. The suspect denies having oral, vaginal and anal contact upon the victim. R/O commented

NARRATIVE (Nature of Report, Interviews, Investigation at Scene, Evidence, Footnotes, Status)

NATURE OF REPORT: R/O continuing investigation on above case.

DETAILS: R/O contacted the victim's mother to arrange for a physical examination of the victim. R/O was informed by the victim's mother that the victim is currently on a hunting trip with his father and will return on 10/17/77. Contact will be made on that date to arrange for physical examination.

10/17/77 - R/O was contacted by the victim's mother who stated that she would not allow the physical examination of her son in that she felt it was not in the best interest of her son. R/O advised [REDACTED] that it was of essence to have a physical examination for the case investigation and that the physical exam would also test for diseases which the victim may have contracted during sexual contact. Mrs. [REDACTED] again related that she did not feel the exam would be in the best interest of the boy and that she would not allow the examination to take place. R/O advised [REDACTED] that most probably a court order would be sought to order the exam whereafter she continued to state that she would not allow the exam because it would not benefit her son.

10/27/77 - R/O contacted Judge Holmes who stated that insufficient grounds exist at this time to order the family to have their son examined by physicians.

11/9/77 - R/O contacted the parent of [REDACTED] and made arrangements to meet with [REDACTED] on 11/10/77.

11/10/77 - [REDACTED] failed to show for appointment. R/O contacted [REDACTED] who stated that he forgot about the appointment. It was rescheduled for 11/16/77 at 1PM hours.

11/14/77 - R/O held conference with [REDACTED], age 15 at the bureau. [REDACTED] stated that on 10/10/77 he spoke with the victim while at a scout troop meeting. The victim appeared very upset at the time relating to [REDACTED] that Ray Cooper "was a fog". The victim related that the suspect had bought his mother an expensive griddle so [REDACTED]'s mother asked the suspect to sleep over. [REDACTED] told [REDACTED] that while he was laying in bed with the suspect, the suspect "did something" to [REDACTED]. [REDACTED] told [REDACTED] that he went to his mother relating the incident which resulted in the suspect leaving the residence.

11/21/77 - R/O contacted Mr. [REDACTED] at his residence and made arrangements for an appointment on 11/22/77 at 1000 hours.

11/27/77 - R/O held conference with [REDACTED] (MB 10/27/77), and [REDACTED], PPS 6/21/78. Mr. [REDACTED] stated that he has two sons in the scout troop currently but has had no indication from his own sons of any sexual activity between the suspect and boys in the troop. Mr. [REDACTED] stated that when he was informed of a problem with the suspect he did immediately connect [REDACTED] as being a part of the problem due to the obvious close relationship between the two. Mr. [REDACTED] stated that his brother, [REDACTED], worked with the suspect in East Fishkill, New York. Mr. [REDACTED] was aware of a similar relationship between the suspect and a New York boy. However, it is not known whether any sexual activity occurred between the two. R/O requested Nick Berches to contact his brother and attempt to obtain the name of the New York boy. This information would be available around 11/29/77.

NARRATIVE (Nature of Report, Interviews, Investigation at Scene, Evidence, Footnotes, Status)

NATURE OF REPORT: R/O continuing investigation on above case.

DETAILS: In reviewing the case, it was determined that the New York information would most probably be beneficial in prosecution of the case in this jurisdiction. Working through the District Attorney's Office, P/O processed an affidavit for the arrest of the suspect and obtain a warrant for his arrest through Judge Scott. The suspect would be referred to Community Corrections by the District Attorney's Office in lieu of criminal prosecution. It was stated to R/O by Mr. Bill Fritzel of the District Attorney's Office that if the suspect refused to cooperate with the Community Corrections arrangement, criminal charges would be filed. Arrangements were made by Bill Fritzel through the attorney of the suspect, Mr. Greg Martin, to have the suspect surrender himself to R/O on 1/31/78. Further, Mr. Fritzel recommended that R/O deliver to Community Corrections a copy of the case facts. R/O contacted Barbara Fitzgerald of Community Corrections and delivered to her the case facts. Ms. Fitzgerald requested that R/O meet with her on 2/10/78 to review the case history.

1/31/78 - The suspect appeared at R/O's office in the presence of his attorney for the purpose of arrest. The suspect was booked on charges of Sexual Assault on a Child and released to the Community Corrections Diversion Program. R/O advised the complainant of below disposition.
